

Volunteer with RCE at The Kent Animal Shelter

Do you love animals?

Then Join Recovery Center East to volunteer at the Kent Animal Shelter We will be leaving Synergy Center, Saturday, December 16th at 11am!

We will be gathering at Synergy Center to visit the shelter. You will have the chance to *pet and comfort the animals, walk the dogs, show them your love, and get them out of their cages for some exercise!*

If you have not participated in this event in the past, you will have to fill out volunteer forms upon arrival. Along with a fun day amongst furry friends, we will be grabbing a bite to eat, so don't forget to bring a little cash!
