

Walmart Tuesday

with
friends

Join Recovery Center East and shop, meet up with friends, eat at Subway, or just browse around!

We plan to spend approximately two hours in the store, so that everyone will have time to take care of their own shopping needs!

And what's better than going shopping with your friends?

We will be leaving from Synergy Center on Tuesday, June 5th at 3:15pm.

Or you can meet us there!
